

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to <https://regence.com> or call 1 (800) 262-9712. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or call 1 (800) 262-9712 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	In- <u>network provider</u> : \$250 individual / \$500 family per plan year. Out-of- <u>network provider</u> : \$500 individual / \$1,000 family per plan year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. Certain <u>preventive care</u> and those services listed below as " <u>deductible</u> does not apply."	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	Yes. \$50 individual / \$100 family per plan year for <u>prescription drug coverage</u> . There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	\$2,500 individual / \$5,000 family per plan year.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>prescription drug cost sharing</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See https://regence.com/go/UT/ValueCare or call 1 (800) 262-9712 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Excluded Services & Other Covered Services:

Exclusion Examples

The following examples of limitations and exclusions are included to illustrate the types of conditions, treatments, services, supplies or accommodations that may not be covered under your plan, including related secondary medical conditions and are not all inclusive:

- charges in connection with reconstructive or plastic surgery that may have limited benefits, such as a chemical peel that does not alleviate a functional impairment;
- complications relating to services and supplies for, or in connection with, gastric or intestinal bypass, gastric stapling, or other similar surgical procedure to facilitate weight loss, or for, or in connection with, reversal or revision of such procedures, or any direct complications or consequences thereof;
- complications by infection from a cosmetic procedure, except in cases of reconstructive surgery:
 - when the service is incidental to or follows a surgery resulting from trauma, infection or other diseases of the involved part; or
 - related to a congenital disease or anomaly of a covered child that has resulted in functional defect; or
- complications that result from an injury or illness resulting from active participation in illegal activities.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
