What you need to know about this book

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the Evidence of Coverage (EOC).

Who can join?

To join a Regence Medicare Advantage Retiree Group Plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, be eligible for your employer's retiree plan and live within the United States. As long as you are eligible for your employer's retiree plan, you will have coverage in any state you live in (excluding U.S. territories).

Tips for comparing your Medicare benefits

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or use the Medicare Plan Finder on www.medicare.gov.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Which doctors, hospitals, and pharmacies can I use?

Regence participates in the Blue Medicare Advantage PPO Network Sharing Program. If you use a Regence MedAdvantage PPO network provider, or any other provider who participates in the PPO Network Sharing Program, you will receive in-network benefits for covered services. If you reside in a county or state that does not participate in the Blue Medicare Advantage PPO Network Program, you will still receive in-network benefits for covered services as long as your chosen provider accepts Medicare. If you choose to use an out-of-network provider when an in-network provider is available, you may pay more for your services, except in urgent and emergency situations.

Go to our website at regence.com/mrg to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

When reviewing the following charts, you'll see the cost differences for in-network vs. out-of-network care and services. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

Prescription drugs

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you.

You may pay more than your copay or coinsurance amount if you get drugs from an out-of-network pharmacy. Long-term care facility residents pay the same as at a standard retail pharmacy and are limited to a 31-day supply.

Annual prescription (Part D) deductible stage \$0

Initial coverage stage (the amount you pay until you and your plan have paid \$5,030 for covered drugs)	30-day	up to 100-day
Tier 1: Preferred generic		
Mail order	\$5	\$10
Standard retail	\$5	\$10
Tier 2: Generic		
Mail order	\$15	\$30
Standard retail	\$15	\$30
Tier 3: Preferred brand		
Mail order	\$45	\$112.50
Standard retail	\$45	\$112.50
Tier 4: Non-preferred drug		
Mail order	\$100	\$250
Standard retail	\$100	\$250
Tier 5: Specialty		
Mail order	33%	N/A
Standard retail	33%	N/A

Insulin

You won't pay more than \$35 for a 30-day supply or \$105 for a 100-day supply for covered insulin products regardless of the cost-sharing tier.

Part D vaccine

Our plan covers most adult Part D vaccines at no cost to you.

Coverage gap stage (the amount you pay after you **and** your plan have paid \$5,030 for covered drugs)

After you enter the Coverage gap, you pay the Initial coverage stage cost sharing for Tier 1 through Tier 3 drugs, and 25% of the plan's cost for other covered generic drugs and brand name drugs until your costs total \$8,000, which is the end of the Coverage gap.

You pay covered insulin products at the Initial coverage cost share during the Coverage gap stage.

Catastrophic coverage stage (the amount you pay after **your** total out-of-pocket costs reach \$8,000)

After your yearly out-of-pocket drug costs reach \$8,000, you pay nothing.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-888-319-8904**.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Call **1-888-319-8904** to request a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
- Benefits, premiums and/or copayments/ coinsurance may change on January 1, 2025.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
