

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to <https://regence.com> or call 1 (800) 262-9712. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or call 1 (800) 262-9712 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	In- <u>network</u> provider: \$1,650 individual (single coverage) / \$3,200 family per plan year. Out-of- <u>network</u> provider: \$3,330 individual (single coverage) / \$6,400 family per plan year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u>?	Yes. Certain <u>preventive care</u> and those services listed below as " <u>deductible</u> does not apply." "No charge" means \$0 <u>copayment</u> or 0% <u>coinsurance</u> , regardless of <u>deductible</u> applicability.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> limit for this <u>plan</u>?	In- <u>network</u> provider: \$5,000 individual (single coverage) / \$10,000 family* per plan year. Out-of- <u>network</u> provider: \$10,000 individual (single coverage) / \$20,000 family per plan year. *An individual on family coverage will not have their in- <u>network</u> <u>out-of-pocket</u> limit exceed \$5,000.	The <u>out-of-pocket</u> limit is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket</u> limit must be met.
What is not included in the <u>out-of-pocket</u> limit?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> limit.
Will you pay less if you use a <u>network</u> provider?	Yes. See https://regence.com/go/UT/PVCU or call 1 (800) 262-9712 for a list of <u>network</u> providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network</u> provider, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network</u> provider might use an <u>out-of-</u>

		network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
